## Munson Rental Agreement Terms

The following terms apply to the rental of a MUNSON MACHINERY CO.

**Model (Unit type)**

---

**By (Company name, address), hereafter referred to as “the customer”:**

---

---

---

---

The material to be processed in the MUNSON MACHINERY CO. unit must be pre-approved in writing, by Munson.

1. The unit rental charge is \$100.00 per day or \$500.00 per week. The Rotary Batch Blender rental charge is \$250.00 per day or \$1,000.00 per week. The maximum rental period is (2) weeks. Unless prior arrangements are made, the rental charge will automatically increase to \$250.00 per day after the maximum (2) week period.
2. The unit will be shipped freight collect to the customer and is to be returned to MUNSON MACHINERY CO. freight prepaid at the end of the rental term. The customer is responsible for any damages that occur while the unit is in transit. In the event of shipping insurance disputes the customer is responsible for the difference.
3. The rental period commences when the unit is received at the customer’s facility and terminates when the unit leaves the customer’s facility.
4. The rental unit is to be **completely cleaned** prior to returning to MUNSON MACHINERY CO. and free of damage. Should further cleaning or repair be required to the unit, the cost will be billed to the customer at a rate of \$45 / hour.
5. It should be noted this rental unit is a test unit and is used to perform tests on a variety of materials; for this reason **any material you test in the rental unit should not be used for human consumption.**
6. Rental charges incurred by the customer (maximum 2 weeks) are 100% applicable toward the purchase of a new, similar machine from MUNSON MACHINERY CO., provided a Purchase Order is received within 60 days of the termination of the rental period.
7. By your signature below you attest to the fact you have received, read, and understand the operating manual for this rental unit and you and all employees of your company will follow all safety, installation, operation, cleaning, and trouble shooting instructions.
